About us

Brief overview

Our company, Vietsun, is among leading manufacturers in Vietnam, specializing in the production of high-quality construction and agricultural equipment. With over 30 years of experience in these industries, we have become a trusted name in the marketplace. Although we have gone through a company rename from Agrotech to Vietsun as now.

We currently operate 8 manufacturing plants located strategically throughout Vietnam. As innovators, we are quick to adapt, improve and satisfy your needs with the latest technologies. Our solutions are creative and intelligent and will surely give you complete satisfaction.

We are well established on the global stage, with a presence in 43 countries serving the needs of wholesalers and dealers. Our commitment to quality, customer service, and support is second to none; we value your success.

Our mission

Our mission is to be an essential partner in our customer's success. Therefore, we rigorously research and choose only the best partners to ensure our products meet the highest standards. We offer complete solutions for wholesalers and dealers who are looking to offer the highest quality construction and agricultural machinery to their customers.
